NEW FREE DELIVERY & COLLECTION SERVICES

ON ALL GARDEN CENTRE & FARM SHOP PRODUCTS

In response to the current COVID-19 difficulties, we have launched two new ways for you to shop with us.

In order to support our customers, including those who are more vulnerable or may be self-isolating, with access to food essentials and other garden centre products, there's now a new **FREE DELIVERY** service and a convenient **CALL & COLLECT** service, available across our whole product range.

In our Farm Shop, stocks are still very good as our focus is on local produce, meaning shorter supply chains...and our prices are as keen as ever!

This service includes all Garden Centre products too!

Keep boredom at bay whilst in self-isolation and order all you need to catch up on home and gardening jobs; buy birthday cards and gifts; or order a new puzzle, craft materials or a book to keep you occupied whilst at home!

FREE DELIVERY SERVICE
