

EXTENSIVE PLANS FOR 2017 AT GATES GARDEN CENTRE!

This year promises to be a busy one here at Gates, as we continue with our exciting plans for improving and developing the Centre. During 2017 we are refurbishing some of our existing areas and also have plans for brand new attractions too...watch this space for news!

If you have visited recently you will already have seen our brand new Information Desk just inside the entrance, giving customers a focal point for queries, information and advice.

Work has already begun on the refurbishment of our Kitchen Department and Food Hall, which is due to re-open with a fresh new look in late January.

Now that Christmas and New Year are out of the way we are busy setting up our Outdoor Living displays ready for launch in early February. With over 14,000sqft of garden furniture, BBQs, outdoor lighting and accessories, with themed displays to inspire your own imagination, why not pop in for ideas this spring?

Following the recent departure of Leading Labels, we are also currently refurbishing our Clothing Department, with an announcement due very shortly regarding plans for this area...again, watch this space!

Inevitably, such plans will have some impact on customers and we sincerely apologise for any inconvenience caused during this time. Please be assured that we are working as quickly as we can to minimise disruption and feel sure that you will be pleased with the end result!

We'll be keeping customers up to date with our plans as they develop and as more details become finalised, through announcements on our website at www.gatesgardencentre.co.uk and through social media.

Should you have any questions please don't hesitate to contact us on **01664 454309** or call in and ask at the Information Desk.
